**I CAN MAKE THE SOUND OF THE LETTER**

Many districts require an “I Can” Statement displayed for your students throughout the classroom. You can use this poster to display the target letter on a bulletin board or at your small group table. 😊

Please note that the letter shown above may not be the letter you purchased and is being used as an example only.

# ABOUT THIS PRODUCT

Start out your lesson by introducing the focus letter using these letter sound cards. Say the name of the words out loud, enunciating the sound. Write the letter in the blank. Students may cut the cards out and keep them in a plastic bag to refer to throughout the week or to take home.

Students will say the name of each picture out loud and circle or color in the pictures that begin with the letter sound. A blackline version is included as well. 😊

# ABOUT THIS PRODUCT

The “Can You Hear It?” activity is perfect for a quick formative assessment in a small group setting. Students will review recognizing the letter sound at the beginning of words. The teacher will say a word out loud, and students will touch the “check mark” if it does begin with the letter sound and the “X” if it does not. Blackline copies are available for all activities as well. If you would like a generic “Can You Hear It?” mat, it comes as a bonus when you purchase the bundle!
