# ABOUT THIS PRODUCT

This alphabet letter sound recognition BINGO set was specifically created for small group instruction. There are 6 BINGO cards (in both color and blackline). This is NOT an entire class set, but with just six cards, it is meant to be played in a small group setting such as during literacy centers or during your intervention block. I have included TWO picture cards for each letter of the alphabet. Pull a card and say the name out loud. Make sure to enunciate the beginning sound. Students will find the matching letter on their BINGO board. Five in a row is the winner OR try to fill up the entire card!
