# INSTRUCTIONS

**THANK YOU SO MUCH FOR YOUR PURCHASE!**

## **1 PRINT AND LAMINATE**

Print off all materials. You can choose the color or black and white version, depending on which better suits your needs. I highly recommend laminating so that you can use this game over and over, year after year.

## **2 CUT**

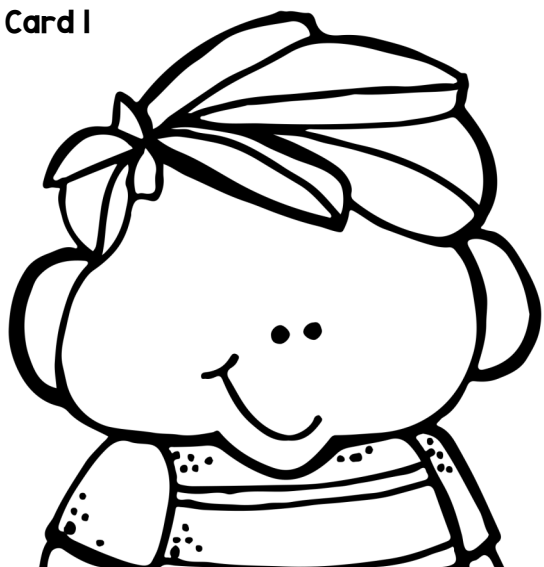

Cut out the sight word card and counters. If you have counters in your classroom, feel free to use those! If not, I have provided counters you can print out and use with your game.

## **3 PLAY**

This game is meant to use in a small group setting. If you have more than six students in a small group, you can use a card more than once (although they may tie for the win!). Pull a card, read it out loud, and have students find put a counter over the corresponding word, if it is on their card. You may wish to use the word in a sentence for them, as the word "to" and "too" are both included in this set. You can play five in a row, or you can have students fill up their entire card! Your choice!
